

You are warmly invited to the launch of the new Max Planck Research Group

"Visualizing Science in Media Revolutions"

led by Dr. Sietske Fransen

Our programme foresees a discussion of the current state of visual studies in the history of knowledge and the role the new research group based at the Bibliotheca Hertziana can play in advancing it.

The roundtable will be comprised of the group's members Sietske Fransen, Pamela MacKenzie, and Christoph Sander, as well as invited guests Carolin Behrmann (KHI, Florence), Florike Egmond (Leiden/Rome), Hansun Hsiung (MPIWG, Berlin), and Sachiko Kusukawa (Cambridge). It will be chaired by Tanja Michalsky (BH, Rome).

We would be honoured if you would join us on
18 September 2019, 5-8pm,
in the Villino Stroganoff, Via Gregoriana 22, 00187 Rome
